

Yearly Blog Planner

Created by Jolanthe

www.homeschoolcreations.net

This planner was created based on what I have personally found helpful in planning for my blog content each month. The entire document was designed to print front/back for an entire year. Pages that you may need extra copies of are placed at the end of the file.

I use a 3 ring binder to store my planner ~ you can see more details on how I am using my new blog planner in this post:

<http://www.homeschoolcreations.net/2012/07/free-printable-blog-planner/>

*This blog planner was created by Jolanthe Erb for personal use only. They are provided FREE of charge and you are welcome to download them for your **personal and/or classroom use only**. However, free or purchased printables are **NOT** to be reproduced, hosted, sold, or stored on any other website or electronic retrieval system {such as Scribd or Google docs}. My printables are copyright protected and I appreciate your help in keeping them that way.*

If you download and use some of my printables and then blog about them, please provide a link back to my blog {not the direct file link} and let me know. I would love to stop by and see how you are using them!
