# Alphabet Posters

On the following pages in this printable you will find 8 1/2" x 11" ABC posters to use with your children. One set has cartoon images and another set features real images ~ print one set or both!

We printed our cards off onto cardstock, laminated them to make them more sturdy, hole-punched them and then put them on a jump ring. {*Note*: This is how we laminate more inexpensively}. These would be great to line the walls of your room!

In addition to these cards, there are other alphabet helps available on my website here, including matching flashcards:
